The National Endowment for the Arts is a public agency dedicated to supporting excellence in the arts, both new and established; bringing the arts to all Americans; and providing leadership in arts education. Established by Congress in 1965 as an independent agency of the federal government, the Endowment is the nation's largest annual funder of the arts, bringing great art to all 50 states, including rural areas, inner cities, and military bases.

Freddie Mac is a stockholder-owned company established by Congress in 1970 to support homeownership and rental housing. Over the years, Freddie Mac has made home possible for one in six homebuyers and nearly four million renters in America. As one of the largest corporate funders in the Washington, D.C. metropolitan area, Freddie Mac and the Freddie Mac Foundation have invested nearly \$250 million in nonprofits serving the community.
